- Enhanced networking, built-in firewall, WiFi capabilities, VPN, and desktop sharing.

What are the benefits of Linspire?

- Linspire is virus and spyware resistant
- The Click-N-Run (CNR) Warehouse gives you access to thousands of software titles and updates. Most CNR titles are available for free!
- Linspire is less expensive and more stable.
- Great for business, school, or home use because you can do many of the same things in Linspire as you do in Windows!

About this CD: This CD will not install any software onto your PC. Instead it is a "live" demo version of the Linspire operating system.

- Attach pictures easily to your emails
- Enjoy the benefits of Tabbed Browsing
- Block annoying pop-up ads
- Instant Message with friends & colleagues on AOL's AIM, Yahoo, MSN, ICQ, and others at the same time. Free long distance calls too!
